XPOWER®

MULTI-PURPOSE MISTING FAN

FM-65WB

ULTIMATE MISTING SOLUTION
XPOWER's misting fan line lowers ambient temperatures by up to 9 °C.

POWERFUL & EFFECTIVE
Loaded with tons of options and powerful airflow. Pick a model that best suites your needs for effective cooling.

CONVENIENT & PORTABLE
Battery version available for easy portability. Water pump models available for when a water faucet connection is unavailable.

MULTIPURPOSE
Use outdoors for misting or indoors without the misting feature as a whole room air circulator for cooling and ventilation.
